We are thrilled Mike Berry and his wife Kristin will be joining us. They will share their adventures in adoption and give an encouraging and inspiring message.

Mike and Kristin are authors, bloggers, speakers, adoptive parents, and former foster parents. Together, they are the creators of the blog,

[www.confessionsofanadoptivemom.com](http://www.confessionsofanadoptivemom.com) which has a global audience of more than 100,000 followers monthly.

The couple has a passion to reach hurting and overwhelmed foster and adoptive parents with a message of hope. Mike and Kristin have been married for 18 years and have eight children, all of whom are adopted.
